

To whom it may concern,

White Rock South Surrey Minor Football has been running youth football programs in our community for close to 30 years. Annually, we field six football teams and have just re-started our cheerleading squad in 2013 for boys and girls between the ages of 5 and 18.

Over the years thousands of young people have participated and have benefited from our activities that continue to have a tremendous positive effect on our community at large.

Our programs are designed to teach youngsters not only the game of football but also give them a leg up in the "game of life". Besides learning football and cheerleading skills, our participants are taught the importance of physical conditioning and nutrition, the art of "fair play" and sportsmanship. As well, they learn to co-operate and participate as a member of a team.

In order to attain this level of professionalism and training, we endeavor to include many individuals that are passionate about the game and the players that play it.

Football programs are costly to run and manage and we must endeavor to keep it affordable for all families interested in participating. Therefore, we must heavily rely on the sponsorship of our local business community to provide part of the operating income.

We would like you to seriously consider becoming one of our sponsors. The attached page outlines the details of the sponsorship proposal.

Please help us continue to build the community leaders of tomorrow by committing your participation in this worthwhile program. We would be pleased to discuss this with you in greater detail and can be reached at [president@wrtitans.com](mailto:president@wrtitans.com) or via cell phone at 604-808-6932.

Yours truly,

Drew Kightley  
President- WRSS Titans Minor Football

## **Sponsorship Opportunities**

White Rock South Surrey Titans Minor Football is a community based non-profit youth football program. We have players ranging in age from 5 years old to 18 years old and have a full cheerleading program.

The Titans are solely run by a group of volunteers that spend countless hours giving back to the community thru a variety of roles. Coaching, training and mentoring our youth to not only play Canadian rules football but also to be better community citizens thru better fitness and discipline.

### **WE NEED YOUR HELP!!**

In the past years the Titans along with many other groups have had the ability to subsidize our operating costs thru the BC government gaming grant program. While this has not totally disappeared it has most certainly been cut back to a point where we now find ourselves in need of community support to continue to grow and deliver our football program.

### **WE HAVE A UNIQUE OPPORTUNITY FOR YOUR BUSINESS!!!**

As a non-profit community based program we have the ability to offer you not only the satisfaction of giving back to the youth in this community but also get your business message out there.
