

**2023 VOLUNTEER FORM**

**THE PHILOSOPHY:** Titans Football prides itself on the fact that this experience is not only for the players... it is also for the family. We believe that the more families that participate together, the more fulfilling the experience will be for everyone.

**TITANS FOOTBALL VOLUNTEERS** are an essential part of making our program a success. We ask that each "**FOOTBALL FAMILY**" participate and contribute to the organization with a **minimum of 12 hours volunteer time including at least one Concession Shift per season half.** Asst Coach families must also provide a family member for concession shift(s). This is a great way to get to know the other parents and players on your team. We encourage you to contribute as much time as you can to your Titans Football team - Invest in your community - No previous experience required!

**Two \$100 Volunteer Deposit Cheques** are required at registration from each family. They will be returned at the end of the season PROVIDED the family has completed the minimum volunteer time throughout the season.

**Volunteer Cheques - Payment / Return Schedule**

**September 30th** - The 1st cheque will be cashed if you have **NOT** signed up or completed (6) volunteer hours including one Concession Shift..... If hours are complete the cheque will be returned to you by your Manager or Team Volunteer Coordinator.

**November 1st** - The 2nd cheque will be cashed if you have not completed the minimum 12 volunteer hours (including a 2nd Concession Shift) by season's end.... If hours are complete the cheque will be returned to you by your Manager or Team Volunteer Coordinator. **Please make Volunteer Cheques payable to WRSS Titans Minor Football**
