

Sponsorship Opportunities

White Rock South Surrey Titans Minor Football is a community based non-profit youth football program. We have players ranging in age from 5 years old to 18 years old and have a full cheerleading program.

The Titans are solely run by a group of volunteers that spend countless hours giving back to the community thru a variety of roles. Coaching, training, and mentoring our youth to not only play Canadian rules football but also to be better community citizens thru better fitness and discipline.

WE NEED YOUR HELP!!

In the past years the Titans along with many other groups have had the ability to subsidize our operating costs thru the BC government gaming grant program. While this has not totally disappeared, it has most certainly been cut back to a point where we now find ourselves in need of community support to continue to grow and deliver our football program.

WE HAVE A UNIQUE OPPORTUNITY FOR YOUR BUSINESS!!!

As a non-profit community-based program, we can offer you not only the satisfaction of giving back to the youth in this community but also get your business message out there.
